

## Sharing

1. Share about the day with the team in the team meeting.
2. Collaborate with PD Specialist, GED and ESL Coordinators to understand the unpacking of the standards with the instructors.
3. Introduce about the standards to the current tutors in the meetings and continue to inform/review throughout the tutoring period.
4. Modify the current lesson plan template to include the subject i.e. reading, math, etc., the anchor/s and the standard/s.
5. Share the examples of the lesson plans with the tutors when explaining about how to do the lesson plan.
6. Provide the sample lesson plan/s to the tutors.
7. Introduce the standards to the new tutors at the time of the training and continue to inform/review throughout the tutoring period.
8. Update the resources list.
9. Be open to the feedback from tutors, students, staff.
10. For self - continue to enhance the knowledge about the standards.
